1 Just in general- [My family & I recently moved back to Las Vegas & purchased a home at Red Rock Country. The Beltway will run close to our home & the thought of nuclear waste from all over the country being shipped so close to my home is disgusting! Please find another alternative for my children's sake.]

Sincerely -

Camille Semanow

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.
